

Merry Christmas!

Dear Family Member,

Because of your support to **Serving Our World**, life has just begun for countless boys and girls, many of which are eating regular meals for the first time in their lives.

This Christmas Season we thank you for your gifts that will not only provide the many supplies needed for our big outreach events in Thailand and East Timor, but all year round you are supporting the necessary schooling, clothing, medical checkups and meals in a beautiful home with adults who love and care for them.

We are so happy to report that you have given so many children the opportunity to follow their dreams through our new Skill Training Center. You are offering them a future instead of a cruel life in a brothel, entrapped in slavery. You have given children the joy of life as a child, without fear of physical abuse or rejection.

As you read this letter, hundreds and hundreds of children are excitedly anticipating the big Christmas event coming to their village. Families will be provided with bags of groceries and supplies that are so desperately needed but totally unthinkable to expect without your help. Children will be receiving gifts, clothing and more because you choose to show love and compassion during this time of year.

What do all these positive changes mean? **FAMILY!** You and **Serving Our World** have paved the way for so many to know the joys of belonging to a family who values each member's worth and supports their growth.

We sincerely want to thank you as you prepare to give your YEAR END donation; please know that you are the important link to the future of children and struggling families in these impoverished areas of the world. As we prepare to host large Christmas events in five locations throughout Thailand and East Timor, we see our Goal at \$17,000 to make that possible. To put this plan into action, we need your help! Together we can reach the lost and show His love in Action! Thank you!

Have a Blessed Christmas and a Happy New Year!

Together reaching those in need,

Michael Thomforde
Founder/President

Serving Our World Care Catalog
